

Facebook/Website Photo Consent Form

Freeland Cooperative Preschool maintains a website and a private Facebook page as helpful resources for communicating with families in the preschool. Names of children will never be used on the website or Facebook page.

NEW! Our Facebook group is Freeland Cooperative Preschool. It is a secret group, meaning only members see the group, who's in it, and what members post. Membership is by invitation only, with only currently enrolled families invited.

Our goal is to use this tool for reminders, answering general questions, resolving scheduling issues, and sharing how much fun our children are having and how much they are learning. We welcome your thoughts and comments and look forward to what you have to share. However, the page administrators reserve the right to remove comments at any time, for any reason. For our complete Facebook Policy, please refer to the Parent Handbook.
